CHAPTER 31

How do you
think I gave birth
to you...?

...I also
know what it's
like to love.

But you...
Do you think
what you have
is love?

The many
songs you
love that you've
listened to and
performed... Do
your actions
match those
words?

You!
This is nothing more
than a third-rate
drama!

Where is
your dignity?!

I am also a woman
I want nothing more than
to see my daughter
be happily in love
with someone.

...But this is not
what it is.

And...

You have
to play the piano.

Nana.

It's me,
Dohoon.

RL... It's you,
DoHoon... it's late...
is everything okay?

*Yeah
I wanted to thank
you for coming
by earlier.*

*And I'm a
little sorry too.*

Hi, don't worry about it. No need to be sorry. We just dropped by without saying anything and ended up bothering you.

*Hehehe.
That's not true.
I just got upset
for no reason.*

Is Joonwon
trusting with you
right now?

.....

Yeah...

...He is.

I really like
Hyung and runs...

I wanted to
become a singer after
watching hyung sing...but
singing became harder
and harder to do...

That's why after
I saw you, I wanted to play
the piano... But even that
became too tiring so I
started drawing.

For now,
I'm resolved to
do something.

*I know
I have to start to
do that, though...*

.....

I'm sorry, DaHoon...
... I know I need to fully
take your words to heart
and listen to what you
are telling me, but...

My mind's just
been too caught up in
other things... I think I can
only focus in half of what
you are saying. -

I'm sorry...

*Don't be sorry, nuna.
I didn't call you to
have you baby me.*

My mom and dad
comfort each other
when I'm sleeping.

When I see that,
I feel better too.

*Even
if something
happens to me...*

*They have
the strength to
be ready for it...
is what I think...*

*Huh- You're just...
Are you sure
you're a kid?*

Huh-

I heard from your mom...
She said if the surgery goes
well, you'll be fully cured?

*She said you
won't be in pain
anymore, Doffon...*

*You're not
going to die.*

4/21

Hum-

Nana.

Do you know what
the most common
thing that's sold
at the hospital?

*"He who is alive,
should live."*

*Do everything you
can while you're with
Joohwi-hyang...*

But...

Even if JooWon-hyung
dies, it's not the end.

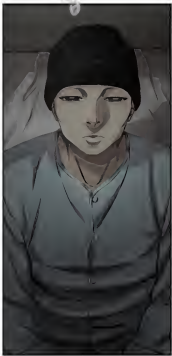

Those who are
alive...need to live.

*Good night, nuna...
I'll hang up now.*

Reddy

It's my pleasure to greet everyone.

The weather's cold, isn't it?

I wish for the good health of all the readers out there
in these freezing temperatures.

I contracted the flu last week.

Good health is of the highest priority.

I pray for everyone's good health and safety.

I am writing these words to inform everyone of good news.

Tweet

Kang Hyung-Gyu

@dbslcrnl

I have just stamped my seal on the Diamond Dust drama contract. As is the case with the "Last" movie, much patience is needed to shoot an adaptation of a story. I wish for a masterpiece to be created. :)

12/12/07 1:56 PM

T/W: "LAST" IS THE AUTHOR'S PREVIOUS WORK. IT IS ALSO A MENTION ON BAHAMUT

That was a tweet I wrote last week.

Good news, isn't it?

Please hope that Diamond Dust
will be well adapted as a TV drama.

Everyone's love and concern is a big source
of strength for me.

Snow has come to Seoul, where I live.

It's obvious that snow comes in the winter,
but there are problems of all magnitudes that come with it.

I wish that all readers will not suffer any
weather-related injuries where they live.

I hope this winter will be a warm one.

Stay healthy.

CHAPTER 34

How do you feel?

Hi~

I have
a million things
I want to do.

What are they?

I want to make
friends my age,
as well as...

Well,
this and that,
I guess.

Eh-

So does
that mean you
won't play with me
anymore?

Hm-

Maybe... this
will be the greatest
mystery piece...

In the
past, we just
performed
in clubs...

But this
could be Joonwon's
last stage...

Isn't
there anything
better...

A man and a woman are sitting on a wooden bench in a hallway. The man is on the left, wearing a green jacket and black pants. The woman is on the right, wearing a patterned jacket and blue pants. They are both looking at each other. The hallway has a light-colored wall and a wooden floor.

Weren't you going
to perform with us,
Miss Hyunjin?

Yes. I will
play the piano
accompaniment.

Hmm...

Alright!

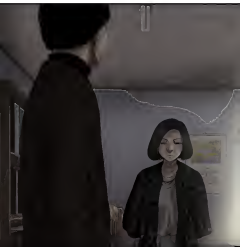

You don't have
to worry about
anything!

There's
something I'm
wondering on
right now.

?.....

I mean, well...
You're not handsome
or anything...

.....

Do you have
any idea how much
we love and cherish
HyeRim?

Are you
really going to act
this way?

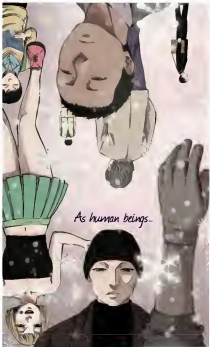

The two of us...

Aren't we just trying
to be happy?

As snow flowers...

As human beings...

Each of us is here,

To find happiness.

Of course when our field of vision gets obstructed,

*We become frustrated
and bothered, but...*

There's nothing we can do about it.

*In the end,
all we can do is fight for our own share of happiness*

*The pink air...
No, this world...*

Isn't that all there is to it?

*I also have kicked others aside for my own
happiness without thinking about it.*

I have been kicked aside by others as well.

Haha! No, I...

To tell you the truth, I probably did
the kicking almost every time.

Hyehwa and L.

We point out
each other's faults
and weaknesses.

We compliment
and help one another.

What the...

Doesn't that just sound like you're doing a business transaction...?"

T/N CLARIFICATION: HYERIN'S MOM IS COMMENTING ON HOW IT SEEMS LIKE THEY ARE JUST USING EACH OTHER FOR HAPPINESS, LIKE A COLD BUSINESS DEAL, INSTEAD OF A RELATIONSHIP BASED ON LOVE.

You're probably Hyerin's first love...

Do you think it's okay if you keep your feelings divided like that with your head's status being the top priority?

...Is that
bad...?

Thinking,
thinking, thinking
like that, and
ultimately
falling in
love...

...Is that not
allowed?

You, you're bad...
What is HyeRin to you...

What kind
of love is that??

Yes, you're right.
When we love, we should
fully embrace it. However,
did that bring about the
correct results?

And what has
HyeRin come to love from
those results?

I do not think my
way of thinking is wrong
considering the complicated
situation I am in.

HyeRin
has come to love
herself.

Don't worry...
I will die very soon.
I will disappear...

To ensure that
HyeRin will not be too sad
because of me...

I have been
controlling and sup-
pressing my feelings
a great deal...

That is my
resolution.

Hello, everyone.

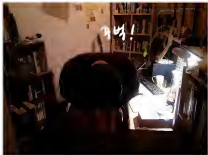

I am Kang Hyung-Gyu.

The holidays are upon us.

I am writing this message to wish everyone happy holidays, as well as to make an announcement about a few things.

To all the readers!
I hope you all enjoy the holidays.
I hope everyone is in good health and is happy throughout the holidays.

1/20/2020

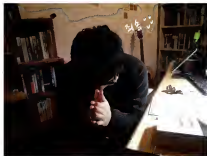

I hope the hearts of everyone
will join together to celebrate the season.

I have an announcement to make.

Diamond Dust chapter 39 will be released
not next Tuesday, but the following Tuesday,
which will be February 19th, 2013.

The holidays are in-between then and now,
and I chose to take one extra week because of
my desire to finish and insert the music piece
which is to be a part of the chapter.

I ask for your understanding regarding this matter.

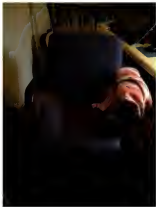

This year's Lunar New Year
occurs over the weekend.
It is a very sad thing.

Let's all do our best.
With that said, I will see you all in two weeks!

Please take care.

You probably
always wanted to
be free.

You're
the type
who learned
about things
on your own and
could accomplish
whatever you
wanted to

I don't think
of myself as having
changed you...

But rather, as having
discovered you.

*Oppie's words
are always so distant*

So...

Am I pitiful?

No.

You're not.

Yeah...
That's what
I like about
you.

You know
all about my
situation, but
you still put
yourself first.

But that's
probably just
temporary.

You're going to slowly
feel regret and wrong
sorry for me...

Even if I get
nosed in the future...

Make sure
you take care of
yourself first.

Please...

Is that how it looks...?

*Does it seem like
I'm not pitying you...*

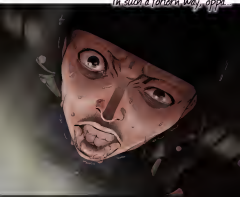

*Because of how
important I consider
myself to be?*

Why do you look at the world...

In such a forlorn way, apps

WHY!!
WHY
IS THIS
HAPPEN-
ING!!

YOU SAID
THIS WAS
ENOUGH!!

A man with dark hair and a beard is shown in profile, shouting with his mouth wide open. He is wearing a dark jacket. In the background, a woman with dark hair is visible, looking towards the man. The scene is dimly lit, with a dark background.

**FUCK!!
AFTER YOU
MADE THE
WORLD LIKE
THIS!!**

**AHHH!!
WHY!!
WHY!!**

WHY ONLY
ME?!

WHY IS
IT ONLY
ME?!

AHHH!!

**DAMN IT!!
ARRGH!!**

Well...

A close-up, high-contrast image of a character's face. The character has a wide, toothy grin, showing their teeth. They have dark, heavy-lidded eyes and a dark eye patch over the right eye. The character is wearing a dark, possibly black, garment. The background is dark and indistinct.

I hope.

You'll be caught.

Diamond Dust Lyrics

One body floating inside the pink air
The crumbling white snow flowers
Leave a scratch as they touch my body
The crumbling white snow flowers

even if I numbly try to dodge,
it lands on me,
even if I think calmly,
it does not heal.

I want to live I want to live
I want to live without the fog in my eyes
Once the fog fades away,
will I really be whole?

The next chapter of Diamond Dust
will be the last.

Wanted to go

.....

Don't treat me like something that once was.

Don't pity me!

This is my life

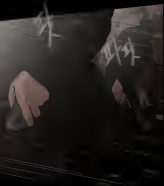

All you have to do is live your own life...

*Don't tie-up all you have left to do
in your own life with mine.*

CHAPTER 40

15 Years Later...

Shizuka

Do I really
have to do this?

I really don't want to...

Just give simple answers to their questions, Hyatt.

The marketing
team going crazy,
saying you have
to do this

Because it's your
first performance here,
honest. In so many, they said
you have to follow the
script for the

And don't you
think it's about time you
get an autobiography
published?

Hoo~
It's going
to be written
by someone else
though, so how
is it an auto-
biography?

What's the
title going to be?

"What I Love
That's Made Me Who I Am,
and My Dream"...

Hgh...
E sucks...

...Now I want to
start asking you some
questions about
that person...

A woman with dark hair, wearing a reddish-brown jacket, sits on the left side of a dark wooden table. A man with dark hair, wearing a black shirt, sits on the right side of the table. They are both looking at each other. In front of them on the table are two small white cups and saucers. Behind them is a large window with a grid pattern, through which bright light is coming. The room has light-colored walls and curtains on the sides.

You gained a lot of
inner peace by loving
that person,

and through that
person, you were able to
reclaim your position
as the best .

But I don't believe that person comforted me or anything like that.

What I think happened, is my interpretation and understanding of that person put my mind at ease.

When Miss Hyerin's
fingers stiffened and you
were lost in despair...

How did that person's love
influence you, and how was that
person able to comfort you...
Some details would be...

Umm...

Miss Hyattin.

It's kind of
hard to have your
pet all wrapped up in
a neat little box...

Isn't it?

However,
I've also been
commissioned by
the publisher
to put this all
together,
too.

If the Internet
doesn't progress
in the direction
the readers are
interested in,
that's...

It'll be difficult...

Of course...

I don't know
why the making a
young person's job
that much more
difficult...

I believe
that people
need to hear the
correct things,
even enough time
to think about
what they
were told...

And
then allow the
world what they
learned during
that time.

The content the
publishers especially
want from my past...

There's a chance
that it won't be
conveyed properly.
...no...

Yes...

That's correct.

And after they
gain something from
their thoughts...

Will they be able
to put it on display for
the world to see...?"

That person...

Lee Joonho...

Never once did he
try to lead me in any
particular direction.

No just...

Made me
want to watch him.

That person
was like a book to me.

A very serene
book—

I read that book,
and... Fell in love with
who I was.

All that person
did for me was rebel...
and I learned.

That person .

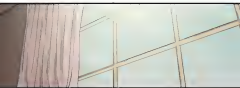

Made me think...

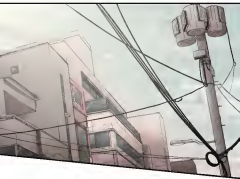

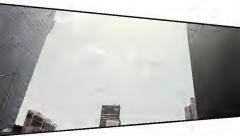

That person...

He isn't...
A good book
for me...

It's nice to
remember from
time to time...

The good memories
we had together, dear...

.....

Long time
no see.

I didn't recognize
you at all!

No boys would
want her then?

That's
incredible.

Yeah.

Hi. How are you?

Are you
living well?

.....

Is Now I'm feeling
that important?

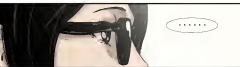

...and so...

—Oh—

...also my
greetings 100%—?

Are you
healthy—?

Hmm... Yeah...

I guess I can
answer that one...

I'm healthy!!

Hello everyone.

This is Kang
Hyung-Gyu.

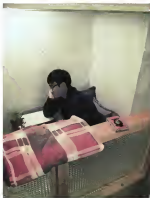

Thank you for loving Diamond Dust
(abbreviated "DD") during its run.

At first, there were many who opposed the idea of "DD"
during the planning stage. I'm sure there were many reasons why,
but the main reason was, "Am I as a writer capable of achieving the
emotional requirements necessary for this genre?"

I had a thought while I was writing "Last".
"After 'Last' concludes, if I were to write something similar,
my image as a writer will be solidified. "Thus, although it was
against others' wishes, the work that was produced
by my arrogance was "DO".

The hardest part about writing "DD" was the plot
"DD" is a story about people changing and growing up.
I wanted to envelop the story in a nice aura so as to not lose all the
feelings the story evokes. I focused my efforts towards the feelings
of two young adults trying to move forward in the world
rather than their romantic feelings for each other.

With that in mind, over the six-plus months of writing this, I found myself clearing a stable plot structure. My goal was to create a fast-developing story with passionate characters, and leave a clear image in the minds of the readers as opposed to something ambiguous. Thus, as I was writing "DD", I was also working on whatever story I will write next. Working on the next story brought me some emotional stability, which aided my writing of Diamond Dust. Please look forward to my next work.

The "DD" drama is progressing well. Likewise, the movie for "Last" is too. Much effort is being put forward to ensure that both will be a success.

Also, I expect the "DO" paperback volumes to be available shortly.
I hope to read your kind messages and thoughts regarding the story.

I would like to thank the Daum Manhwa Team
for approving "DD" and letting it come to life.
I would also like to thank my good friend, Cha Hyun-Ho,
for providing the beautiful music to my undeserving work.

I have written author notes in the past,
but it has been a while since I rambled on like this.
I apologize.

It is difficult for me to write my thoughts out so earnestly.
This has brought me to tears.

Shall we cry together?

I will look forward to seeing you all again with my next work.
I wish for everybody's safety and well-being until then...

That's how it is

Please stay healthy.
